**Site: Trans Continental Trucking Site**

Dear Ms. Conetta:

By way of introduction, please be advised that my firm has been consulted by Michael Sylvestri, formerly the President of Transcontinental Trucking, in connection with a Request for Information served upon him regarding the above-referenced property. Transcontinental Trucking is no longer an on-going concern and its records with respect to its brief tenancy at the above site have long been destroyed.

In an attempt to aide you in your search for information, I forwarded your questionnaire to counsel for the landowner, Thomas Marshall. The landowner's counsel, John B. Landers, Esq., by letter dated November 9, 2002, advised of two (2) open DEP cases regarding the site. I am enclosing a copy of the letter which identifies the NJDEP Case Nos., the name of the case officer at the NJDEP handling the site and the environmental firm who has been retained to secure "No Further Action Letters."

By copy of this letter, I am providing Mr. Lander's letter to both Seth Ausubel and Clay Monroe.

Very truly yours,

A handwritten signature in black ink, appearing to read "Bonnie J. Mizdol". The signature is fluid and cursive, with the first name "Bonnie" written in a smaller, more compact script than the last name "Mizdol".
